Dear Sir:

This responds to the Office Action mailed June 24, 2008. A Petition to Extend time for three months (up to and including December 24, 2008), and requisite fee are included.

Submitted with this paper is a Declaration under 37 C.F.R. § 1.132 by Dr. Johannes P. Van Dijken. (the “**Van Dijken Declaration**”) along with an Appendix thereto (partial List of Publications). Also submitted, by request of the Examiner is the Board’s *Ex Parte Porro* decision.

An IDS and List of References cited to accompany this Response and the Van Dijken Declaration were filed (on December 22, 2008), in order to have several documents officially considered by the Examiner. These references are NOT being provided as prior art under §§ 102 or 103, but in support of Applicants’ position that the presently claimed invention complies with § 112, first paragraph and is non-obvious under § 103.

**Amendments to the Claims** are reflected in the Listing of Claims, which begins on page 2 of this paper.

**Remarks** begin on page 7 of this paper.
